

About Us

**For the possibilities of
everyday.**

DailyObjects is a design led Tech-Lifestyle
Accessory brand. DailyObjects focuses
exclusively on bringing high-quality and
well-designed Tech Lifestyle products to
its consumers.

#1 Homegrown

DailyObjects was founded by Pankaj & Saurav in New Delhi and in last decade it has been seen as a truly global brand from India.

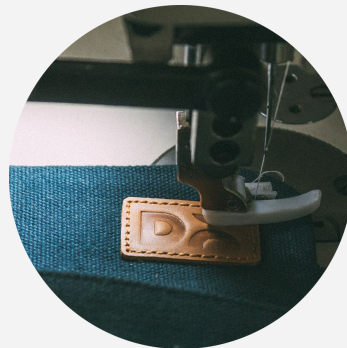

#2 500+ Craftsmen

We're proud to be a community led brand which supports livelihood of hundreds of domestic craftsmen & artisan.

#3 Ethically Procured Material

Our designers & artisan handpick the raw material keeping the worldclass eco-friendly & cruelty free benchmarks on priority.

#4 Make In India

Over 80%+ portfolio is being made in India, thanks to this we are able to design & make goods keeping the quality & upcoming trends in mind.

Our Trusted Patrons

Living by the philosophy that each day is a new opportunity for a deep dive into the unexplored, our carefully handcrafted products are designed to inspire our customers to make their everyday journeys a little less ordinary.

“

"Great work by the team at DailyObjects! Quick understanding of the requirement and timely turnaround. Quality of products was well appreciated within the team."

Jai Gupta, Nestle

iGEEKSBLOG

"I have been using a couple of DailyObjects products for a year and I admit that the products are of great quality with fair pricing. I am impressed with the way they showcased our brand on their products."

Dhvanesh Adhiya, iGeeksBlog.com

"When we discovered DailyObjects products, we knew they would appeal to our clients. The products could be branded with our agency's name."

Neha Agarawal, Digi Acai Pvt Ltd

"We really like how neatly the articles were done. The finishing was absolutely brilliant and coordination with the team to deliver across the globe to our CXO level employees was amazing."

Abhay Sharma, GE
